The exhibit hall is located in Hall D in the Hynes Convention Center which is adjacent to the Sheraton Boston Hotel (our Headquarters Hotel).

There is a short passageway that leads to an entrance to/from the Sheraton on the 3rd floor meeting level, and a main entrance located on the 2nd level of the Convention Center. Sessions and events will take place in BOTH venues on both levels.

The exhibit hall floorplan below was designed to create a main thoroughfare through the Exhibit Hall increasing hall traffic throughout the day.
