

# Digital Signage Network

The strategically positioned Digital Signage Network gives you access to audiences across the facility.

- Twenty-one 55-inch, 65-inch, and 85-inch high-definition LED screens

The Digital Signage Network can be used to showcase:

- Exhibitor/Sponsor advertising
- Event Information
- Product Launches
- Speaker information
- Announcements

**Boost your visibility and promote your attendance at AAS 2020 Annual Conference**

*Attendees view the Digital Displays multiple times a day in multiple locations as they walk through the Hynes.*
