After logging into your profile, select “Purchase a New Membership” under Membership in the top bar.

If you are already a member, select the “Renew” gold button to the right hand margin of your profile picture and address (it would be under the “Pay Open Balances.”)
Select the type and number of years of membership that you would like. This example will be using a Student Membership. After adding to cart, select green “Next” button at the bottom of the menu.
Make sure that you purchase for yourself and not your institution. Purchases made for the institution will be voided.
Complete the personal profile information.
For student, K-12 Educator and Non-OECD memberships: Upload two proofs of verification and report your Total Gross Income. All three must be entered.
At this point, you can add any optional donations or subscriptions. When ready, select “Review & Checkout”
The membership has now been added to your cart and you can move on to registering for the AAS Annual Conference.

Select the “Events” tab in your top navigation menu. Click on “Upcoming Events” for a listing of AAS events.
Annual Conference registration is separated into two events. Select the event based on if you are attending in Boston (includes virtual event access) or Virtual only. Click “Register to Attend” for the event you plan to attend.

As with membership, register for yourself and not your institution. If an institution is registered, the order will be voided.
Read this page carefully.

Select the correct registration category. If you are a student member, select the Student Member rate and **not** the Member rate.

**Please note:**
- If you are selecting the Retired member registration rate, you must select Retired as your primary occupation.
- If you are selecting the K-12 Educator registration rate, you must select K-12 Educator as your primary occupation.
